Porsche, Volvo, Landrover etc.

**LR80-100**  
BLOX 80 to BLOX 100 Adapter

Universal grille set

# Mounting Options

---

## Adapters

Remove unneeded sections along the perforated break lines. Use the OEM speaker as a reference for the outer shape.

Use the stiff foam gasket to seal any gaps between the speaker ring and the car. Trim the edges for a precise fit.

If needed, use the soft PU foam on top to seal the gap between the speaker and the OEM grille.

## Mounting Options

---

### Grille Set

---

### BLOX 100 Adapters

Use the LR80-100 adapter to mount BLOX 80 loudspeakers in any of the car specific BLOX 100 adapter rings (sold separately). Contact your retailer or visit our website for an up-to-date overview of available adapters.

## Correct Disposal of this Product

*(Applicable in the European Union and other countries with separate collection systems)*

If you want to dispose this product, do not mix it with general household waste. There is a separate collection system for used electronic products in accordance with legislation that requires proper treatment, recovery and recycling. Contact your local government office for details in locating a recycle facility close to you. Proper recycling and waste disposal will help conserve resources and prevent detrimental effects on our health and the environment.
